STREET DECISION DELAYED

New City Council Holds First Brief Meet Monday Night

In their first regular meeting since election the new city council dispatched some routine business in a matter of minutes Monday night.

During the meeting the principal business consisted of awarding a contract to the Pump Repair Service for a deep well turbine pump for the new Junipero Serra boulevard water well.

Bids were also called for a water system for the Concordia district. These bids must be submitted to the city on or before May 10.

A resolution was passed transferring funds from the general fund to the fire, library and water department respectively.

Of more general interest was the naming of committeemen to serve on various city committees during the next two years. Following are the committees, the first named councilman is chairman for each group:

Police — Ed Mooney, entire council; Fire — Fred Bertetta, entire council; Finance—A. J. Gaggero, J. H. Kennedy, Paul Green; Building, Streets & Utiilties — J. H. Kennedy, Gaggero, Bertetta; Transport — Mooney, Kennedy, Bertetta; Park & Recreation — Gaggero, entire council; Library —Gaggero, Green; Planning — Kennedy, entire council.

After the meeting was adjourned, Mayor Green asked if anyone had any business with the council. R. J. Burns, 859 Niantic, requested that the city do something about the poison oak just west of the new small park at Citrus and Niantic. Mayor Green said the city would look into the matter and take care of same.

Burglar Gets $190 From DC Store

Out $190 today is Mission Cannery Sales, 6001 Mission. The money was stolen from the store by an unidentified burglar early last Friday morning.

Pat Hunt, 6005 Mission, heard someone leaving the store at 1:30 a.m. He called police, who arrived only a few seconds after the thief had made his exit.

Officers found the front door lock pried off, but the door unopened. A second lock had prevented the burglar from using the front entrance.

Going to the side of the building, the thief went through a small open window. Inside he got about $190 in change from a hiding place in the store, Joe Fresenborg, manager, said.

Hunt evidently heard the burglar as he was leaving through the same open window.

Court Rules Charter Changes To Go On Ballot

Charter amendments to return the vote to San Mateo county districts will be put on the June 6 ballot.

This was the decision of the State Supreme Court, following an effort by a taxpayer group to torpedo the measure last week. The Court Tuesday denied a hearing on the petition, filed by Harold V. Byroads of San Mateo, to remove the amendments from the ballot.

One of the principal amendments, in a package of nine, will allow voters to elect supervisors by individual districts, rather than by the county at large.

Other proposed changes would establish Frederick Peterson, county executive, for two years beyond next January, when his elective term expires. The county executive's job would return to an elective status, which was eliminated two years ago in favor of an executive appointed by the board of supervisors.

Another feature of the amendment is that the county executive officer would appoint all civil service department heads, all important commissions, and would fill vacancies created in an elective office.

The supreme court gave no reason for rejecting the Byroads' petition. The decision of the court was that the question did not warrant a hearing.

Claude Hanrahan Seeks Jeff High Trustee Position

Entering his name as candidate for the Jefferson High school district board of trustees, Claude Hanrahan this week listed his qualifications for the position.

The trustee election is to be held May 19. Hanrahan is opposed by Mrs. Mildred McGeein, 567 Hillside boulevard. Incumbent Remi Sanders did not file for re-election.

Hanrahan feels that the following qualifications should enable him to well represent the people and children of this district:

"I was born in San Francisco where I attended grammar and high school. Majoring in education, I graduated from San Francisco State College with an A.B. degree.

"I took two years graduate study at Stanford University school of education, and hold California State teaching credentials for both junior and senior high schools.

"During the war I served 3½ years with the U. S. Navy. I also served two years as instructor of naval science and tactics at the

MAY DAY CELEBRATION
Plans Almost Completed For Giant Daly City May 7 Parade And Pageant

One of the largest extravaganzas ever presented in Daly City will take place here Sunday, May 7, as thousands take part in a parade and pageant.

The march will get underway at 12:30 and wind through the main streets of this community. The pageant is scheduled for 2 p.m. at Jefferson high school.

In this, the third annual May Day Festival the program will be twice the size of last year, officials said. Over 7,000 persons are expected to witness the fete.

Queen for the day will be diminutive, lovely Sandra Lee Shaughnessy, 110 Moltke street. She will be attended by Barbara Votaw, Nancy Reginelli, Joane Morris, Penny Ebert and Judith Gerrans. The attendants are representatives of the five grammar schools in the Jefferson school district.

Judge Murray Draper, a former Daly City attorney, will bestow the crown on Queen Shaughnessy.

Eddie Allen, parade chairman, states that the parade is about double the size of last year's, and among other things, it will be a proud display of horseflesh. The Arabian Horse Association, with costumed riders, the El Camino Riding Club, and several other equestrian groups will participate. The famous Hallyho Carriage, drawn by four horses will head up the parade, and the carriage will contain no less personages than the mayor of Daly City and his popular councilmen.

Other participants in the parade include marching groups and drill teams.

The local merchants promise colorful and interesting floats, and many civic groups are also participating in the parade of floats. All parade participants are asked to call at the information booth in front of the Daly City Theatre in order to get directions for forming the line of march, according to Dar

"Lost" Hour Hits California Sunday

The fastest hour in the year will be from 1 a.m. to 2 a.m. this Saturday.

That's the hour "lost" when all of California turns its clocks ahead to go on Daylight Saving time.

Of course, if you don't happen to be up at 1 a.m., the switch can be made any time on Sunday. However, to avoid confusion, and arriving late at the office Monday, the changeover should be made Sunday.

As for the "lost" hour, it will be picked up again in September when the state switches back to Standard time.

Market Basket To Open New D. C. Store Soon

Another new, streamlined Market Basket will open in approximately 30 days at 6318 Mission, it was announced today.

The new branch will be opened in the location formerly occupied

SURPLUS SPUDS GO TO WORK

Unloading one of the many bags of surplus potatoes in Daly City last week were these two gentlemen, affiliated with Automobile Row in Daly City. The potatoes were passed out to various charitable organizations to be distributed to the needy in this area. Last month the automobile men in Daly City agreed to pay the freight cost on a carload of surplus potatoes to save the spuds from being destroyed. (PhotobyRoy Beecher)

BOYS CLUB SPONSORED
Everyone Asked To Join Group Backing Formation Of Organization

Join the Daly City Boys Club Sponsor Association.

This was the call issued Wednesday night at the conclusion of a meeting of those interested in reorganizing the Daly City Boys Club.

The group passed by-laws and approved a sponsoring body to be known as the Daly City Boys Club Sponsoring Association. The purpose of this organization will be to support and promote the activities of the Boys Club.

Anyone is eligible to join, regardless of whether or not they have children.

Dues in the organization are but $5 a year and may be paid either in one lump sum or at 50 cents a month.

Application for membership in this sponsoring association may be obtained from the Daly City Record Office, 3317 San Jose avenue, or from Mrs. M. W. Linton, 170 Los Olivos, JU 5-2614. Mrs. Linton, membership chairman, will contact all of those who have previously donated money to the club.

This was the principal business at the meeting Wednesday night. It was decided to postpone electing permanent officers until the sponsoring association has a larger membership. However, temporary officers were appointed to hold office for 90 days until such time as an election can be held.

Crossing Floor, Young Michael Cuts Forehead

Michael Lindstrom, 1216 Brunswick, is much more careful in crossing the kitchen floor these days.

Last Sunday afternoon the six-year-old lad slipped on the floor of his home, hitting his head against a kitchen chair.

The force of the blow cut Michael's forehead. He was treated at Junipero Serra hospital for the wound.

Thief Steals Almost All Of Beeson's Bike

Running his bike without fenders, lights or a horn today is young Basil Beeson, 127 Los Banos.

The boy's mother told police that Saturday evening someone entered the garage where the bike is kept, and stripped it of the front and rear fenders, reflectors, mud guard, headlight and horn.

LOCAL WOMAN LOSES $60

A purse containing between $50 and $60 was lost last week by Miss Angelina Casentini, police reports showed today.

Miss Casentini told officers she lost the purse between the Anchor Drug store and her home Sunday afternoon.

COUNTY PLANS STUDY
Planning Commission To Examine Connecting Route, Report May 19th

Pending a field trip by the county planning commission, no decision will be reached on the proposed connecting street between Broadmoor and Westlake.

This was the upshot of a regular meeting of the commissioners last Friday at which, once again, representatives of 900 dissatisfied Broadmoor residents were present.

No date has been set for the field trip, A. J. Bodien, vice-chairman for the board reported today. However it is expected to take place some time next month and a full report will be ready by the next regular meeting of the commissioners, May 19.

Broadmoor residents who recently signed a petition protesting the proposed route for the connecting street remained adamant today. They firmly believe that a route running through school property is a danger to school children and should not be approved by the planning commission.

Presently, plans call for a connecting street to run 300 feet east of Westlake from 87th through the new Garden Village school land, to the border of the proposed new Westlake shopping center, thence west and north to the intersection of Highway No. 1 and Skyline boulevard.

Forced to approve some connecting street, or give up plans for a new upper Garden Village school, the Jefferson elementary school district has given its sanction to the proposed street. The district claims the street would be fenced and adequately patrolled so as to limit danger to school children.

The 900 residents who signed the petition agree the street would be safe during school, but question the safety of such a route after school hours and on week ends when children would be using the playgrounds.

Outcome of the planning commission's study is expected to be approval of the original plan. They have already ruled that any other route, west of Garden Village school, would not be feasible.

While the commission has no authority, other than recommendation of action to the county board of supervisors, their approval or disapproval of a measure is tantamount to a final decision. Bodien reports that in the past nine years the commission has had only two items referred back to it by the supervisors for "reconsideration."

Fishing On Lake Merced Saturday For "Huck Finns"

by Jimmy Fox

Well, the happy day is finally here . . . this Saturday, fishing opens on Lake Merced for all the Huck Finns in the community.

Fishing will start one hour before sunrise, and, for the first two months, is limited to children 12 and under. Each fisherman must be accompanied by one of his parents, or older person.

No fishing license will be required, although anywhere else any person over 16 years must have a license.

The lads will fish from stationary floats on the south shore of the north lake. The south lake is closed. The floats will be well supervised and have an adequate hand rail

Any type of legal lure from spinners to worms will be in order.

Fish and Game Warden Tom Barry of the Bureau of Patrol tells us that Captain Ed Moore and his patrol of wardens will be keeping a close watch on the activities. Any child found guilty of a fish and game violation will have a lot of explaining to do to the teacher in school and his parents. So remember, kids, when going fishing be a good sportsman. You may want to go fishing again next week so don't catch them all in one day.

When you catch some fish take them right home and clean them and place immediately in the refrigerator. Proper care of the fish you catch is also a part of being a good sportsman.

Now the problem is to encourage Pop to take you on a fishing trip. This year it is an easy task for Dad. All he has to do is pile into the old car with the tackle and the youngster and drive over to Lake Merced for some fine sport.

The past year has been a busy one for the Division of Fish and Game, the San Francisco Park Commission and the local sportsmen headed by District Council No. 7 of the Associated Sportsmen of California. Their combined efforts have seen the lake cleared of all undesirable rough fish. The Fish and Game Division then started planting Rainbow trout in the lake.

It may seem unbelievable but 74,000 trout from 8 to 12 inches long have been put in the lake. From time to time this summer more fish will be planted in the lake as they are needed. It is hoped that some natural spawning will also take place to supplement the planted supply. Probably some improvement of the spawning areas in the shallow water such as the addition of clean gravel will be necessary before natural reproduction will be successful.

Bocci Offers $1,000 Reward For Sign Vandals

Still untaken today is a $1,000 reward offered last Saturday by Thomas Bocci Jr. for the apprehension and conviction of vandals who smeared red paint over 12 of his campaign posters.

The unidentified "painters" Saturday blotted out the signs, posted in the northern end of San Mateo county, which advocated the election of the Daly City attorney to justice of the peace for the First Township.

Bocci labeled the vandalism as a "preconceived plan, and not the work of juveniles." He asserted signs in Broadmoor, Daly City, Colma and South San Francisco had been obliterated. As the posters were so far apart, he believes it was a deliberate attempt to sabotage his campjaign. He estimated the loss at $500.

Bocci said he would give the

MAY DAY QUEEN SHAUGHNESSY AND HER ATTENDANTS

These are the young ladies, and one young man, who will reign during Daly City's May Day celebration, May 7. Each of the attendants is from one of five Daly City schools, as is the queen, chosen in a drawing recently. That smiling, freckled gent to the left is D. C. Gensel's young son who will be the crown bearer. The queen is, of course, Sandra Lee Shaughnessy. Behind her, left to right are: Barbara Votaw, Joanne Morris, Penny Ebbert. To the queen's immediate right is Judith Gerrans, and to her left, Nancy Reginelli. (Photo by Myra)

Ball Player Dies From Head Injury

Sandlot baseball proved fatal this week for an 18-year-old Daly City boy who died from injuries he suffered when struck on the head by a baseball April 1.

Dead is Billy Kelly, son of Mrs Vallie Kelly, 726 Niantic.

According to reports, Kelly was playing baseball on the Jefferson High school field Saturday morning, April 1. He was not playing with the Jefferson High team, but rather with a few friends. He swung at a ball which tipped off his bat and hit him on the head.

Knocked unconscious by the blow, Kelly was taken home and treated. As the week went by he seemed to be getting better. However, last Saturday he had a relapse and was taken to the University of California Hospital where he died Tuesday morning after a brain operation.

A former resident of South San Francisco, Kelly attended the SSF High school. He has a sister, Ruth Kelly, attending Jefferson High school.

In addition to Ruth and his mother, Kelly is survived by nine other brothers and sisters, two of whom, Dorothy Kelly and Mrs.

(Continued on Page 2)

VAUDEVILLE, FIRST RUN MOVIE FEATURED IN TUESDAY LIONS SHOW

What promises to be the best show in Daly City's history is to be put on by the Lions Club this Tuesday, May 2, at the Daly City Theatre.

Getting underway at 7 o'clock, 13 acts of vaudeville will be on the program in addition to a first run movie. This is the first "sneak preview" of a top featured film ever offered in this area, a Lions club official said.

The name of the movie can not be revealed, but it's no secret as to whom will be featured in the many varied and interesting vaudeville acts. And, oh yes, each of the acts will be introduced by the "sweetest man in town," Grant Williams of the Williams Candy store.

Here they are, the 13 vaudeville acts:

1. Glenn Hayward, magician and ventriloquist.
2. Jack Washburn, singer for NBC.
3. Ralph Manza, singer of individual style.
4. Fran and Ronnie Meier, dancers.
5. Sharon Haupert, song stylist.
6. Art Kloth, violinist.
7. Daly City Cowboys, hillbilly band.
8. Sue Wilson, local girl from Jefferson high.
9. Pat Austring, piano player from Daly City.
10. Gil O'Shaughnessy, clarinetist supreme.
11. Elio Fontana, accordianist.
12. Dancing Girl Chorus of Eight, a group of teen agers trained and costumed especially for the Lions Club Revue.
13. Trixie Beeson, hula dancer.

Tickets for the show may be purchased either at the Daly City Theatre or from any Lions club member. And the price is only a trifle more than the regular cost of a movie alone.

What is more, all the money from the show will be used locally to assist the Lions in their many activities with Daly City youth.

Remember the day, Tuesday, May 2, 7 o'clock at the Daly City Theatre. Come, give yourself a break and help out some local youngster.

Boys Club

(Continued from Page 1)

The by-laws were so written as to allow qualifying amendments at any time when a two-thirds vote is present at a meeting. Thus, all those who join the group at a later date will have a voice in deciding the policy of the organization.

"We have not drawn up the rules and regulations for the Boys Club, itself," P. J. Nolli, temporary chairman said. "It is hoped this may be done in the near future and we can get the club into operation before long."

It also was decided that the association will meet the first Wednesday of every month. The next meeting will be held Wednesday, May 3. At that time it is planned to "hash over" ideas for actual formation of the Boys Club and to explore the idea of appointing an executive board to actually manage the club.

All those wishing to attend this first regular meeting of the Daly City Boys Club Sponsoring Association are urged to be present at 8 p. m., May 3, at City Hall.

Meanwhile the club benefited by $18.20 from the concert given in its honor by the deLeon Music Store, 6127 Mission street, April 19. A crowd of about 100 people attended the concert and in response to a short talk explaining the need of the club gave generously and cheerfully when the hat was passed. A $5 bill was even in evidence.

Cub Pack No. 36 Represent Daly City At S. F. Meeting

Cub Pack 36, of which our Daly City Dens 15 and 16 are members, has been chosen to represent all San Francisco Cub Packs at the American Youth meetings in May.

This is quite an honor for the Pack, and we can all be proud that so many of our Daly City boys will share the honors.

Perhaps a word of explanation as to why two Dens of Daly City boys should belong to a San Francisco Cub Pack when there is a Pack in Daly City, is in order. At the time Den 16 was organized, ther was no Cub Pack in Daly City. Many parents felt the need, and many attempts had been made by interested people to get such a Pack started, but for one reason or another it never came to fruition.

Then Mrs. Ted Hopman got the idea of forming a Den here and tying in with the San Francisco Pack, so that the local boys would have the benefit of belonging to a Cub organization. Den 16 was formed, with Irene Rosenberg as Den Mother, and later when more boys requested to join Den 16 than Mrs. Rosenberg could accommodate, Den 15 was formed, headed by Alice Tylenda.

By the time a Pack was formed here in Daly City, Den 16 was well intergrated with Pack 36, knew its leaders and their program, and had formed a pleasant working relationship with its personnel. Therefore, when the local pack was formed and invited Den 16 to join it, the local Den felt it would like to continue with the Pack it had started with and become an integral part.

It is hoped this explanation will answer the question raised by some local people as to why some of our Daly City boys belong to a San Francisco Pack and some to a Daly City Pack.

The luncheon and trip through the United Air Lines planes and hangars drew a large turn out. In fact, more than double the reservation made with United Air Lines. Fifty-one reservations were made and 110 Cubs and parents attended. However, United took it in stride and a good lunch and a pleasant and informative trip was enjoyed by all.

May Day Fete

(Continued from page 1)

E. Andersen, manager of the theatre.

The parade is expected to reach the high school field at 2 p.m. for the flag raising and the coronation of the queen. There will be a string ensemble under the direction of Michael Wexler, and the Maypole dances.

At 2:30 the stage program begins and the local dancing teachers will present their most talented pupils. Among the presentations will be the Dancing China Dolls and a colorful Moonbeam Ballet, under the direction of Miss Louise Andre of Broadmoor Village. The Carol Ray Studio will present a Minuet, and many other studios and artists will be on the program. Mr. Swaeger of South San Francisco will act as coordinator of the dancing portion of the program.

Dan E. Andersen' manager of the Daly City Theatre, is going to be master of ceremonies.

The entire festival is under the direction of Elman Rose. He is being assisted by Earle Johnson, the OLPH Mothers' Club and the Parent Teacher Association.

Among those entered in the parade, as reported by Allen today, are: Daly City officials, police department, fire department; Daly City Band; Walter Moore, grand marshal; Arabian Horse Association; Bunnie Caroll Dancing School; Rancho El Camino; Daly City Garden Club; San Francisco Horsemen's Association; F.O.E. Ladies Auxiliary; San Francisco Palomino Horse Club; Colma Vista Grande, F.O.E., float and drum corps; Mountain Valley Riders.

Daly City Boys Club; Sheriff's Mounted Patrol, led by James McGrath; Mission Parlor, N.D.G.W.; Joe Perano and his famous palomino stallion; Jefferson high school band; San Bruno mounted patrol; Junior N.D.G.W. drill team of South San Francisco; Redwood City Horsemen; Drill Team No. 21, Bethel No. 26, I.O.J.D.; Girl Scouts, Boy Scouts, Cubs.

Cong. Anderson's Daughter Weds

The marriage of Carol Anderson, of San Juan Bautista, daughter of Congressman and Mrs. Jack Z. Anderson, to Lon Epps took place at the Little Chapel of the Flowers in Berkeley, California, at 7 p.m. Friday, April 21.

Attendants at the wedding were the bride's sister Jean and John Clay, a friend of the groom.

Mr. and Mrs. Epps are both students at Armstrong's Business College. They will make their home in Berkeley while continuing their studies.

Mr. Epps formerly lived in Sweden, Missouri, and served with the occupation forces in Germany after the war.

FISH AND GAME NOTES

by Jimmy Fox

It could be that all the fish are getting wise to the anglers, or maybe the anglers just aren't very good fishermen; anyway the fishing last week end was just plain poor.

We heard of no fish caught of any mention and the fishermen were even short of the one that got away stories. Ed Meirding, president of the local Rod and Gun Club, spent the day at Old River and said it was a waste of time. Ed Nenstiel and family fished near the Santa Clara shoals and didn't even get a nibble — "Oh, pardon me — he got one small nibble." Even the China Camp area has fizzled out for a while. Arthur Bodien was up there when they were biting and couldn't catch 'em, so he has hung up the fishing rod for a while. So much for the striped bass fishing.

Trout Season

Let's get down to the trout season, which opens Saturday, April 29. We wish that it could be a big opening with lots of fish in every creel, but the weather and the water have been against us. Late snow and rain in the high country have kept streams swollen and muddy. The high lakes are still frozen over and the accessible lakes are dependent on the weather for good fishing.

Local waters in the Bay area are all planted with catchable-size fish and will draw large crowds. Best bets are Conn lake, near Napa, Frey lake and Madigan lake, near Vallejo, Rector lake, near Yountville, Miliken lake in Marin, etc. Stevens Creek reservoir in Santa Clara county is very low and there are few fish left. Most coastal streams will produce a few fish but all will be very small.

Best bets for upstate fishing should be Lake Almanor, Butt lake and Bucks lake. All are located in Plumas county and are the only waters open up there this early. The rest of the county is scheduled for opening on the 27th of May.

Well, anyway, trout fishermen, have lots of luck and if you get anything to crow about let me know about it and we will see that you get your name and fish story in this column. We are glad to receive any information regarding hunting or fishing and will give it consideration as soon as received.

Fishing Report

Just got a couple more reports on the fishing last week end. George Archer and his wife Margie spent the day last Monday at Santa Clara shoals and all they got were two sunburnt noses. Jerry Listman, butcher at Milo's Market, went rock fishing on Sunday but the wind got the best of him so they came home early. It was a fine minus tide too, but with the wind blowing, fishing along the coast is next to impossible.

This writer had the pleasure of entertaining the new Boy Scout troop in Broadmoor Village last week. Troop 84, under Scoutmaster Gordon Fiest, is an up and coming organization. They have 20 members and are as well behaved a group as I've ever had the pleasure of coming in contact with. I had the movie projector along and showed them our "High Sierra Fishing Trips" in color. Along with the movie we demonstrated a few pointers on trout fishing. All the boys are eagerly awaiting the opening of Lake Merced this Saturday.

NEWS OF YOUR NEIGHBORS

Mrs. Arthur Heyden, 231 Los Olivos, is a great dog lover, as witnessed by the "light of her eye," Major Cricket of Capuchino. The majority of Daly City shoppers, at one time or another, have seen Major, a hefty, beautiful Boxer dog. He can be seen on any of Mrs. Heyden's shopping tours, either carrying her packages between his strong teeth, or in a bag on his back. Mrs. Heyden reports he is able to carry up to 50 pounds. But before you go out and buy one of these mobile package carriers, be sure you can feed the dog. Mrs. Heyden says it costs a "goodly" sum each month to keep Major feeling like a major and not a private.

Mr. and Mrs. Robert Sherwood, 35 E. Cavour, have a new addition to the family today. He is Garry Wayne, who first saw the light of day March 21 at Mary's Help hospital. When he came into the world, Garry weighed 6 pounds, 6 ounces. Garry is the third child for the Sherwoods.

Robert L. Stueve, fireman, USN, son of Mr. and Mrs. Stueve, 239 Crocker avenue, recently participated in joint United States-British naval maneuvers as a crew member of the aircraft carrier USS Boxer. The exercises were held in the South China Sea off Luzon. Before reporting to the Philippines, the Boxer spent a week in Japan and five days in Hong Kong. A graduate of Jefferson high school, Stueve enlisted in the navy in July, 1947.

Larraine Cady, Jefferson high school student, is a great believer in the written word. For many years now she has been corresponding with "pen pals" in Europe and South America. She has become so friendly with these young ladies that recently she received a beautiful handkerchief from one in Porto Rico. Also, she points with pride to a wedding invitation from her friend in Holland. Lorraine writes regularly to these friends abroad, as well as to a lad in England and another young lady in France. And how did she get started in this hobby? Lorraine, who fittingly enough puts in many hours at the Daly City library, became interested in "pen pals" when she was a Girl Scout. It's too bad that more written exchanges between countries are not as friendly as those between Lorraine and her "pen pals."

Mrs. Eleanor Clarke, 123 Willits, was the honored guest at a going-away party given for her recently. The party was held at the home of Mrs. Libby Mueller, 499 Vista Grande. Some 23 guests were present to wish Mrs. Clarke well in her move to Livermore, wher her husband was recently transferred. Mrs. Clarke expects to follow her husband within the next two or three weeks. Hostesses for the party were Mesdames Mueller, Dolly Lewkowitz, Midge Fehl, Dolores Warren and Pat Arnaudo.

Rosemarie Attenisia, a WAVE, daughter of Mr. and Mrs. J. B. Attenisia of 335 Irvington street reported for duty April 17 at the Pensacola Naval Air Station, the oldest and largest naval air station in the world.

Before reporting to the "Annapolis of the Air," Rosemarie served aboard the Great Lakes, Illinois. She has served seven months in the naval service.

In accomplishing her duties here, Rosemarie will be aiding in the fulfillment of the station's prime mission, which is the training of naval aviators, from the time of their induction through to their qualifying in aircraft carrier landings.

Young Group Now Meets In Various Homes

While the new Grace Presbyterian church is under construction, members of the Young People are meeting in various homes.

This Sunday evening at 7:30 o'clock, the group will meet at the home of Mr. and Mrs. William C. Hassett, 369 Vista Grande, sponsors for the organization.

And this Friday evening, April 28, members are invited to tour Playland. They will meet at the church, Evergreen and Hanover, at 7:30 o'clock.

LEGAL ADVERTISING

NOTICE OF INTENT TO MORTGAGE

Notice is hereby given, pursuant to Section 3440 of the Civil Code of the State of California, that the undersigned, HILD ELECTRIC AND MANUFACTURING COMPANY, INC. whose address is 125 West Main Street, Stockton, California and whose business is that of electrical contractor and manufacturer known as HILD ELECTRIC AND MANUFACTURING COMPANY, INC., intends, as mortgagor, to mortgage to Bank of America National Trust and Savings Association, whose branch address is given herein below, as mortgagee, certain personal property of which a general statement of the character thereof is as follows:

Office equipment and furniture, electrical equipment, and trucks and automobiles,

which personal property is located at the following addresses:

150 North Yosemite Street, Oakdale, Stanislaus County, California

125 West Main Street, Stockton, San Joaquin County, California

1076 El Camino Real, Menlo Park, San Mateo County, California

168 School Street, Daly City, San Mateo County, California

and that said mortgage will be executed and delivered, and any consideration therefor will be paid at the hour of 10:00 A.M., on the fifth day of May, 1950, at the Stockton Main Office branch of Bank of America National Trust and Savings Association at 345 East Main Street, Stockton, California.

Dated at Stockton, Califronia this 18th day of April, 1950.

Two Small Children Injured In Wreck

Two small children suffered slight injuries in an automobile accident at the intersection of Miriam and Westlake last Friday, police reported today.

Suffering slight cuts and abrasions about the face were Robert Passafiume Jr., 3½, and Pat Passafiume, 4, relations of Robert Passafiume, who was driving one of the cars.

Both children were treated at Junipero Serra hosiptal.

Driving the other machine was Floyd Melton, 16, 47 Werner, police said.

Both cars will need extensive front end repairs.

Antique Auto Caravan Friday

A caravan of antique automobiles will parade through Daly City at approximately 10:30 a.m. Friday morning, April 28.

The huge caravan of ancient cars, which date from 1900 to 1915 and belong to members of the Horseless Carriage Club of America, will also parade through San Francisco today, April 27.

Colorful costumes of the period when the cars were manufactured will be worn by the driver and passengers in the cars.

The parade will be the first one to be conducted in this area by the club and included will be a few familiar names such as Buick, Ford, Cadillac, Oldsmobile, and Packard along with long-forgotten makes such as Stephens Duryea, Premier, Autocar, Pope Hartford, and others.

This northern California visit will mark the third tour undertaken by the Horseless Carriage Club.

Hill Top Market

(Continued from Page 1)

ently occupied by Milo's Market, 6315 Mission.

All departments in Milo's will close at 6 p.m. April 29, the management announced today.

When the Hill Top opens its doors for business it will be under the management of a veteran market executive, George Glass. During the past 15 years Glass has successfully operated various local retail markets. He has been in business in this neighborhood for the past 10 years. This will be his third store.

Mike Bertolucci will, as always, operate one of the finest meat markets in Daly City. The meat department will occupy its present position in the store, although it is to be remodeled.

The greatest change in the establishment will be in the grocery and produce departments. It is planned to have these tow sections occupy a good three-quarters of the building. They will be equipped with the finest and latest devices to make shopping a pleasure.

Glass said both departments will offer the housewife everything she needs from a bar of soap to caviar.

Watch the Record for the opening announcement of the bigger, better Hill Top Market.

Market Basket

(Continued from Page 1)

by Safeway Stores, Inc. Now undergoing a face lifting operation, the new store, when finished, will be one of the most modern markets in the bay area.

Bud Holmes and Anton Burkard, who took over the original Market Basket, 5901 Mission, almost a year ago will operate the new Market Basket.

Watch the Record for the date of the opening.

Meanwhile, another item of interest for all local residents is the giant anniversary sale to be held at the Market Basket May 12. For real bargains, be sure to see these items in the Market Basket's advertisement to appear in this paper shortly.

Holmes, who has been a resident of Daly City for the past 17 years, was employed by Safeway for 12 years. He has been in business for himself for the past five years, and has a thorough training and knowledge of local people and their grocery needs.

Also familiar with neighborhood people is Holmes' partner, Burkard, who has been in the retail grocery business for the past 32 years. He has worked in most of the large San Francisco and Daly City stores.

COLMA --- BROADMOOR GARDEN VILLAGE

AROUND THE VILLAGES

with Verna Duste

"What number are you dialing, pleeuze?" "JU 5- etc., etc." "That number has been changed to PLaza 5, etc., etc." and so on, far into the night. Multiply the above by about 40, and you'll have a taste of what yours truly has been up to for the past two weeks, in between other odd jobs.

Social not of the week — The VFW Auxiliary had their usual monthly canasta party last Friday, with the Colonial once more the charming setting for the dessert luncheon, and fashion show. Leslie's, represented by Manager Dorothy Del Monte, really shone with their fine fashion show — play clothes, denims, cottons, and (men, you should've been there!) bathing suits — strapless and otherwise.

The models included Phyllis Yorg, Gladys Holt, Truth Danielson, Nadine Scribner, and Gigi Blount. Particularly striking, we thought, was a round-necked black cotton dress, trimmed in daisies, which was modeled by Mrs. Danielson. All in all, the girls made a lovely group of demonstrators for Leslie's equally lovely fashions. Incidentally, a few have asked how Leslie's got its name — why, because of Leslie of course — Leslie Symonds, that is, the owner of the store. A fine fellow he is, too, nice to talk to, and to work for, take it from us!

New Additions

New to the world, and Broadmoor Village, is Marie Elena Arejula, who arrived to Mr. and Mrs. Gregory Arejula on Wildwood drive on April 20. Little Marie weighed 6 lbs. 13 oz., and is the latest acquisition, and this week's only contrbution to the "Pink and Blue Dept."

The "Black and Blue" Dept. is quite another story — with two victims who shall remain nameless. Seems there was a slight ruction in the third grade 'tother day — we saw the bloody and torn remnants straggling up Washington street in the person of a small boy, who woefully told us "You should see that other kid! Boy, did I clean house on him!!"

Whooping Cough

Heather road is curently being visited by a plague of whooping cough, and all the mothers of young 'uns old enough for the May Day festivities are understandably concerned!

Auxiliary Dinner

Wednesday last was the scene of a very successful dinner, given by the American Legion Auxiliary. Community Center was packed to the ceiling with eager patrons who really did justice to the delicious meat loaf and accessories. Our chapeau is off to you, gals, for a wonderful job!

If Mr. Carter of "Carter's" is looking smug these days — he should be! After all, where else in San Mateo county, or any other county, can you find the beautiful neckties that he has?? Incidentally, bow tie wearers, give a glom to the selection at Carter's — par excellence.

Meeting

Mary Attebery will hostess the monthly meeting of the VFW Auxliary Sewing Fest on Friday of his week. Thus far, the sewing is restricted to sox, sleepers, etc., but Mary tells us that long-range plans include articles for a bazaar currently being planned, and arti cles for the orphanage. Good luck girls!

Well, the sun is still out — and out is where we're going!! See you at the meeting of the Broadmoor Property Owners Association on May 5 — maybe we'll nominate you for president!!

Selah!!

ASSN. ELECTION MAY 5

Tom Jenkins To Seek Presidency Of Broadmoor Property Owners Group

Tom Jenkins, local attorney, has put in a bid for the position of president of the Broadmoor Property Owners Association board of directors.

To date no one has stated they will oppose Jenkins for the position which is to be filled, along with other posts, Friday, May 5.

Nominations for the board were closed last Saturday.

Also seeking election to a board position are: J. Walter Thomas, vice-president; Frederick A. Hilger, treasurer; William Dias, Grant Holman and Mrs. Bernard Mayville. The last three have not stated what offices they wish on the board, nor has anyone yet expressed a desire to be secretary for the body.

The election will be held in Colombo Hall, Colma, beginning at 2 a. m. Everyone wishing to vote must be present, as no ballot can be cast by proxy.

It is these nine board members who direct and govern Broadmoor during the course of the year. Consequently it is important that everyone vote.

Cub-O-Rette Proves Popular And Profitable

Happy memories and $46 in the treasury are all of what is left of the annual North District Cub-O-Rette today for members of Broadmoor Cub Pack No. 84.

The cubs took an active part in the event which was staged in San Bruno last Sunday. As their contribution to the show, the boys put on various comic strip skits, which were not only entertaining but lucrative.

Proceedings got underway at 1:30 p.m. with a parade through San Bruno. However, local cubs weren't sure whether they were in the parade until a good many minutes after it started. They were the last group in the march, and put up a valiant fight to be recognized.

After the parade, the 18 Cub Packs met for a general show at San Bruno park. Here each of the Packs presented their organization colors, and took part in singing the national anthem.

This was followed by a bathing beauty contest put on by Pack 70. Other entertainment included a band concert of three drum corps, an accordion group and a regulation band.

There also were skits, chief of which was a "livestock" judging contest. The "livestock" were individual cubs dressed up to represent various animals.

When the general program concluded, each Pack took to its "booth" and the County Fair went on in grand style.

Motorists Warned To Cramp Wheels

Residents of Broadmoor, Colma and, Garden Village today were warned to be sure to cramp their car wheels against a curb when parking on a grade.

The warning came from Chief of Police Paul Schmidt, who reports several recent accidents have resulted from runaway machines.

The chief noted that where a curb it not vertical, as are most of the curbs in Broadmoor, it is necessary to place a block under one of the wheels when parking on any kind of a grade.

In February of this year the county board of supervisors passed an ordinance making such parking precautions mandatory, Chief Schmidt said.

Those who violate the ordinance face a maximum fine of $500, or 90 days in jail, Chief Schmidt asserted.

Broadmoor Women To Hold Silver Tea Wednesday

All residents of the Broadmoor-Garden Village area were invited today to a Silver Tea, Wednesday, May 3.

The tea is being held by the executive board of the Women's Association of the Broadmoor Presbyterian Community church. Place of the tea is the home of Mrs. Ramond Gomez, 100 Aler street, Garden Village.

Getting underway at 2 p.m., the tea will continue through until 5 p.m. During that time a special flower arrangement show is to be held, followed by a varied musical program.

Pouring for the day will be Mesdames H. C. Suenderman, John Glasse, Jack Gordon and Don Hager. On the receiving line will be Mesdames L. Sunderman, William Bohn, Gomez, Charles Gnessios, William Clark, Jack Politis, Ernest Galladay and John Fiest.

Tickets To VFW May Dance On Sale

Want an expense-paid trip to Reno free of charge?

Well, if you are interested, merely purchase a ticket to the Broadmoor VFW Post No. 9921 "Night Club" dance, May 13. One lucky couple attending the dance is to be given the trip.

But, of course, this is only incidental to the fine entertainment promised at the unusual dance. For example, Tony Martin's famed orchestra will furnish music for the evening. Colombo Hall, where the dance is to be held, will be decorated in the motif of a night club. Many fine refreshments will be available at a modest sum.

These, then, are but a few of the reasons to purchase a ticket to the VFW dance.

The ducats are now on sale, and may be had for next to nothing from any VFW member, or by calling at 1727 Louvaine drive.

Residents Hear Politicos Speak

Turning out in full force, the great majority of candidates in the coming June 6 primary election were present in Broadmoor Tuesday night to address voters.

The "Candidate Night" was arranged by Broadmoor Post No. 824, American Legion, under the chairmanship of Howard Richardson and Tom Jenkins.

Some 100 residents were present to hear the politicos deliver short speeches as to what they propose to do if elected.

Refreshments were served after the speeches, and voters had an opportunity to meet and talk with each of the candidates.

Party Held For Cristonis

In honor of her husband's new filling station, Mrs. Victor Christoni, 60 E. Cavour, held a party for a few friends at her home recently.

The Flying A station is now in operation at 45th and Judah, San Francisco, under the management of Victor and Melvin Christoni.

Guests at the party included Mr. and Mrs. Frank Jaconetti and their three children from Colma, Mr. and Mrs. John Battoro and son from Colma, Mr. and Mrs. Joe Messina and daughter from Colma, Mr. and Mrs. Edward Chiado and her mother and father, Mr. and Mrs. Peter Chiado, Mr. George from Colma.

After the dinner friends dropped into the station to wish Victor success. All wished them success in their new venture.

Legion Holds Dinner, Dance This Saturday

A pot-luck dinner and dance is to be held this Saturday by the Daly City Unit No. 410, American Legion.

Things will get underway at 6:30 p.m. at the Legion hall, 474 San Diego avenue. The dance is to follow the dinner.

All those interested in attending, and the public is invited, are asked to contact Commander Peter Bordson at DE 3-5861.

Sermon Topic Is Announced

"Sorrow Replaced With Joy!" is the sermon topic next Sunday, known as Jubilate Sunday on the Christian Church calendar at Lutheran Church of Broadmoor.

Church services are held at Broadmoor Community Recreation Center, White street near 87th in Broadmoor Village each Sunday at 11 a.m. All residents of the west Daly City, Colma, Broadmoor and Westlake area who have no church home of their own, are most welcome.

Sunday school is held at the same address at 9:45 a.m. on Sundays for children from ages 3-13.

New Arrivals

To the wife of Arthur J. Bresnan, 32 Cotionwood drive, April 10, a son

To the wife of William H. Redding, 162 West Moltke street, April 17, a son.

To the wife of Ernest A. Albers, 243 Miriam street, April 20, a daughter.

To the wife of Othello G. Fair, 6149-A Mission, April 17, a daughter.

To the wife of William A. Maloney, 152 Los Banos, April 20, a daughter.

To the wife of Francis R. Mikels, 160 School street, April 20, a daughter.

To the wife of Sam Torkelson, 127 Santa Cruz avenue, April 21, a daughter.

To the wife of Gregory B. Arejula, 904 Wildwood avenue, April 20, a daughter.

To the wife of Angelo J. Rossi, 20 E. Cavour street, April 17, a daughter.

Ruth Kirste Attends Meet

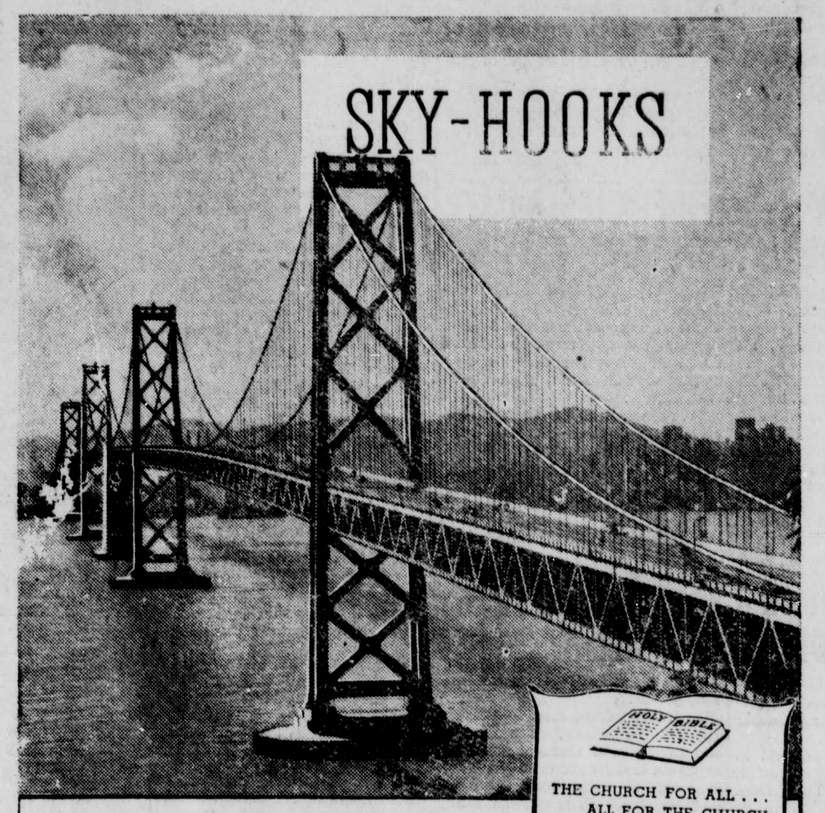

Miss Ruth Kirste, recorder of San Mateo county, this week is attending the 1950 conference of the County Recorders' Association of California at Yreka.

The conference opened Wednesday and will close Friday with the election of officers for the ensuing year.

San Mateo county is credited with having one of the most modern and efficient recorders' office in the state, according to association reports, and Miss Kirste will take an active part in the conference program and discussions.

Presiding at the sessions will be the president of the group, Recorder Walter W. Ramage of San Luis Obispo county. The host recorder is Ernest T. Johnson of Siskiyou.

PL 5-5840

We build pillars of steel in the mud . . . and we hang a road from them!

Twenty centuries ago a little band of men built some pillars of *faith*. They built them in the mud of life's sweeping stream, but they pointed them toward heaven. Then they hung a road from their pillars of faith . . . a road their Master had shown them.

It was a new and different kind of bridge. It carried men from the cold, angry shores of strife and bitterness across to a life of unselfishness and brotherhood. It was more than another religion—it was Christianity!

When a man grows tired of the ugly side of life—when he's ready to see the other side and become a part of it—he need only turn to the Church. That is where the bridge begins.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BUILT LIKE A BATTLESHIP

It's Ford for big car comfort and roadability. Its low, box-section frame with five cross members gives extra strength and rigidity. The advanced engineering design provides low center of gravity and unusual stability.

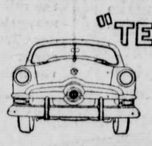

BUT WRAPPED LIKE A GIFT

For the second year in a row, the New York Fashion Academy has awarded Ford its Gold Medal as "Fashion Car of the Year."

FORD IS THE BIG ECONOMY PACKAGE!

With its low first cost, low upkeep and high resale value Ford is the new standard of value. And in the recent Mobilgas Grand Canyon Economy Run, officially supervised by AAA, a '50 Ford "Six" with Overdrive won the economy championship of its class—the 3 full-size cars in the low-price field.

SOCIETY

Italian-Catholic Federation To Hold "April Showers" Dance This Saturday

Looking for those May flowers, the Italian Catholic Federation of Holy Angels parish is presenting an April Showers dance this Saturday evening.

The dance is to be held in Colombo Hall from 9 p.m. to 1 a.m. Steve Salvo and his fine orchestra are to furnish the music.

Tickets are now on sale and may be purchased from any Federation member.

In addition to the dancing there will be several valuable prizes given away to lucky couples.

Dario Bonfantini is chairman for the affair. He will be assisted by various members of the organization.

"Rain or shine, you'll have a good time. So don't forget to keep this date in mind," Lawrence Giuffra, president, said.

ANNUAL DALY CITY FIREMEN'S BALL COMING SATURDAY EVENING, MAY 6

The Firemen's Ball — one of the year's biggest social events — is less than two weeks away.

Saturday evening, May 6, all Daly City is invited to dance at the sixteenth annual ball at the Jefferson High school auditorium.

Sponsored by the Widows' and Orphans' association, DCFD, the dance is to be more than just a pleasant gathering of old and new friends, as many awards will be made during the evening. These are now on display in the window of the PG&E office, 12 Wellington avenue.

Music for the event is to be furnished by Dino Benetti and his band. The orchestra is well known through the Bay area, as Benetti has had several recent engagements in well known San Francisco hotels.

"We intend to make this the best dance of the year," Chief Elmer Kennedy said today.

Tickets are now on sale. They may be purchased from any member of the fire department.

Full details of committees and arrangements will be announced next week.

Grace Presbyterian Church Hails Spring With Dinner And Bazaar

With due regard to spring, the Grace Presbyterian church is giving a Dinner and Spring Bazaar Wednesday, May 10.

The big event is to be held in Masonic Hall, 17 Hillcrest drive, during the whole day. Then, from 5 to 7:30 p.m., dinner is to be served.

As usual, the whole affair is being arranged by the Circles of women members of the church. Consequently, everyone is assured that the dinner will be the best obtainable in Daly City.

And for those unable to get away for the evening meal, the women are holding a cafeteria lunch at the hall during the noon hour. Here is an opportunity for the businessmen to have a real treat at reasonable prices.

Switching from food to the bazaar, Louis Adami, chairman for the event, said there will be six separate booths set up in the hall. At each of these booths will be various items on sale from fancy dishtowels to tasty cakes and pies.

Those familiar with past activities of the church need need not be reminded that the Dinner and Spring Bazaar are a must on anyone's schedule for next month.

All money from the affair is to be used for the construction of the new church.

Tickets may be obtained at the door of Masonic Hall, or from church members.

YOUR DALY CITY GARDEN CLUB NEWS

By ELSIE M. GARRISON

What with the dailies hard put to find enough adjectives to give an adequate report on the California Spring Garden Show, now being held in Oakland's Municipal Auditorium, it is quite beyond my descriptive efforts, except to say that it is a "must" for everyone, gardeners notwithstanding.

Never before have so many interests, societies and clubs conspired together in such a tremendous and awe-inspiring extravaganza of nature's most lavish flowers. Following the theme of "Gardens of the Pacific," and accenting the tropical varieties of brilliant hues found in the gardens of our Pacific neighbors, the gorgeous display of rhododendron, azaleas, tulips, and especially the orchids, hibiscus and rare blossoms which typify Hawaii, China, Japan and the Pacific Islands, were indeed outstanding. The "piece de resistance" is the giant waterfall, flanked on either side by huge redwood trees, and which falls into a lagoon, in a delightful natural manner.

Societies interested primarily in one variety such as rose, fuchsia, begonia, orchid, etc. were well represented, and our friends from the Horticultural center of the City College, contributed some of their best plantings, which were assembled into a final artistic showing by J. Raymond Herman. It would be impossible to describe in deserving detail the many beauties to be seen — and maybe futile too, because this show must be seen to be appreciated, but I can tell you that it will be a tremendous emotional experience as well as a visual treat not soon forgotten.

Gardening Books

This week I chatted with our Club Librarian and came up with the idea of reviewing some of the better books on gardening. The books chosen were done so with an eye to practicality, tips and suitability to this area, and the following is Mrs. Howard Miguel's report.

"Not since Sheldon and Ferguson wrote 'Fun With Flowers' some ten years ago has there been as useful a book on how to use flowers in and about the home as Patricia Easterbrook Roberts' new book called 'Flower Craft.' For 20 years Mrs. Roberts has been a florist, and like the ever-increasing number of good florists, she has catered to your home gardener. The book is full of useful hints to make using flowers more fun.

"On page 53 we read, 'When arranging flowers in transparent containers where the usual flower holder cannot be used, try filling them with sand. If dry sand shows a better color, insert a smaller container into the sand to hold the necessary water.'

"On page 37, 'Flowers should not weigh you down (when wearing them) ,seek the limelight, prick you to death, or be worn when it would be better if they were buried. They should pep you up, add to your personality, and attract attention to you, not to themselves. They should not be so whopping big that they drag your shoulder from its natural line, or so insignificant that one wonders why they are there at all.'

"Then on page 139, 'Late afternoon is the best time to cut garden roses, if you want them to last.'

"It all goes back to Mrs. Roberts' belief, 'God surely did not mean flowers to be a luxury to mankind. . . Our civilization lacks something if we think of flowers only on rare occasions, instead of for every occasion."

The next book Mrs. Miguel selected for review, was a new tome by Dr. William H. Eyster, called "The Vegetable Calendar." Even if you are an experienced gardener, you will find this book useful. The tables of earliest planting dates for all parts of the country alone make it worth adding to your own library. Another unique feature is listings of what to plant, catalogued alphabetically by states.

Fashion Show

I was agreeably surprised and pleased at the charming floral arrangements which met the eye of all those lucky ladies who attended the "Trip to Rome — via T.W.A." fashion show and luncheon sponsored by the Mothers Club of Our Lady of Perpetual Help church. The entrance to the auditorium was banked with lilacs and spring blossoms which permeated the air with their delicate scent.

Inside, the small tables were tastefully decorated with a cape jasmine or gardenia at each place, and the stage, done in shades of cerise, purple and layender, was an attractive background for the huge displays of lilac. The floral decor was all done under the direction of Alma Garibaldi, whose talent along these lines is only exceeded by her husband, who owns a nursery in Colma.

I had the distinction of sitting next to the only man present, in that sea of ladies' spring bonnets and finery — none other than Tom Bocci Jr., local attorney who is running for justice of the peace in June. He has more than five varieties of fuchsias in his garden, which was propagated from prize specimens shown at the fair at Treasure Island. The big double red strain is very beautiful, and is his favorite.

Members of the Daly City Garden Club are doing much bustling around these days, making with old curtains—straw hats, wire and dye—but not a word for the press. It's strictly under "wraps" and so is the gardening news for this week.

Daly City Couple Celebrate Silver Anniversary

Marking their twenty-fifth wedding anniversary this month are Mr. and Mrs. Jerry Summers, 349 Peoria.

Friends of the Summers gave them an anniversary party at the home of Mr. and Mrs. Jack Mona, San Francisco, last Saturday. Some 25 guests were present to wish the Summers well, and present them with many beautiful silver wedding gifts.

Following the speeches and gift presentations, dancing was the order of the evening. The celebration was topped off by a buffet luncheon.

Guests present included Mr. and Mrs.: G. A. Summers Jr., Frank Davison, Larry Romer, Joe DeBano, Jack Voboril, S. L. Sturdevant, John Lievens, Dell Fehl, R. L. Summers, Ben Rice.

Also present were Tom Rae, Ben Rice, Mrs. Libby Mueller, Miss Edrie Summers and Miss Arlene Summers.

Foresters Schedule May 16 Whist Party

Whist is to be the featured attraction at the second May meeting of Vista Grande Circle No. 253, Foresters.

The whist game is to be held at the home of Mrs. Florence Bryant, 559 San Diego, at 8:30 p.m. May 16.

This represents a change in the regular schedule, as previously the whist games were held on the first Tuesday of each month.

NEW LAKE MERCED VFW AUXILIARY OFFICERS

These are the women who will be in charge of the Lake Merced VFW Post No. 9921 Auxiliary during the coming year. The officers were installed at a joint installation April 14. Back row, left to right: Mesdames Carol Hocking, junior vice-president; Dorothy Goodwin, trustee; Stella Magoon, secretary; Edith Icopetti, historian; Maryon Patey, trustee; Gigi Blont, guard; Alberta Stankas, patriotic instructor; Caroline Kelleher, treasurer. Front row, left to right: Marjorie Franklin, senior vice-president; Alice Foulks, installing officer; Mary Attebury, conductress and Anita Woods, chaplain.

Newly Organized Cub Pack No. 63 Meets Friday

Holding their first regular meeting this Friday, April 28, will be the charter members of Cub Pack No. 63.

The meeting is to be held at No. 1 Hillside boulevard beginning at 7:30 p.m. All cubs and their parents are invited to attend.

Organized over the past month, the cub pack is growing each day. To date there are 25 members.

Heading the pack committee is Al Lyon, 86 Muirwood drive. He is assisted by J. B. Moran, 120 E. Vista, as treasurer, William Ross, 73 Muirwood drive, and Charles Hansen, 17 Muirwood drive.

Ross also is president of the Pack Association. Hansen, too, serves a double capacity, as he is institutional representative for the pack.

Cubmaster is Smith E. Davies, 73 Garwood drive. The den mothers include Mesdames Al Lyons, Dorthy Rix and Anna Haake.

Although they haven't yet held their first meeting, the cubs are already busy selling tickets for the Scout Exposition at the Cow Palace, the first week in May.

State Congress PTA Meets May 3 To 5

Election of officers of the California Congress of Parents and Teachers for 1950-52 will climax the annual state convetion of the organization to be held in Santa Cruz May 3, 4 and 5.

With final plans made and with the number of advance reservations for delegates running unusually high, it is expected that the total registration for this year's convention will exceed 3,000.

The official opening of the convention on Wednesday morning, May 3, will be preceded by the regular bimonthly meeting of the State Board of Managers at the Casa del Rey, Santa Cruz, on Tuesday, May 2. Mrs. G. W. Luhr of Oakland, president of the C.C.P.T., will preside at all sessions of the board meeting and convetion closing the administration which assumed its duties under her leadership two years ago.

"The Fundamental Orders of 1639," of Connecticut, is probably the oldest written democratic charter in America.

Woodrow Wilson PTA Record Book Wins Top Honors

The first meeting of the new executive board of the Woodrow Wilson PTA will be held May 9 at the home of Mrs. Norman Reynolds, 191 Hillside boulevard, at 1 p.m.

Mrs. Carl Berg will be co-hostess.

The Woodrow Wilson PTA is undertaking its first money-making venture May 7, when it will have a Circus table selling candy and peanuts at the May Day Festival. Mrs. S. Cormack and Miss Elizabeth Kennedy are in charge of the sales, and anyone who can help should contact either of these persons.

The regular monthly meeting of the 17th District PTA was held at the Revenswood school, East Palo Alto, April 26. Delegates from the Woodrow Wilson PTA attending this meeting were Mrs. Henry Adami, Mrs. Philip Gray and Mrs. William Cheatham.

After the installation of the new district officers, annual awards for publicity record books were made. The highest award of first prize was given to the Woodrow Wilson primary school for its publicity record book which had been compiled by Mrs. Sanford Larson and Mrs. Edward Goldkuhl. The book will now compete for State honors.

Loretta Warchot Stars In Oratory Contest

Congratulations today to Loretta Warchot, 3299 San Jose avenue.

The Immaculate Conception Academy sophomore came in fourth Wednesday night in a San Francisco High School oratorical contest. The 15-year-old daughter of Mr. and Mrs. Warchot was chosen from her school to represent it in a field of 10 other Catholic and public schools.

Speaking on James Madison, Loretta's persuasive voice won her a $50 Savings Bond.

Popular Daly City Couple To Visit Italy Next Month

After a 30-year absence Mr. and Mrs. Rizieri Rossi, 73 First avenue, will be returning to Italy next month.

The well-known Daly City couple are making the trip via air, and will be accompanied by Mrs. Agnes Cortopassi, 326 Evergreen.

They plan to depart May 1, and return here about September 25.

During the six months, the three local residents will visit various points throughout Europe and Italy.

Also, Mr. and Mrs. Rossi will make a special trip to Lucca, Italy, where they will visit relatives. Both Mr. Rossi and his wife were born in Lucca. However, it was not there they met.

Some 25 years ago, coming different ways, they arrived in Daly City. Shortly afterwards they met and were married. Thus, both had to travel from their native city, half way around the world, to find the blessing of marital bliss.

Mrs. Cortopassi also will see friends of hers in Italy, and spend some time with her mother.

This, by the way, is the first such trip home since the three left Italy 30 years ago.

FARMERS DON'T LIKE "DOUBLE TALK" MR. CANDIDATE

● You can't lower food costs to consumers and raise farmer's living standards at the same time without taxing both groups heavily for such a subsidy.

● You surely are not advocating the Brannan so-called PLAN for our California Farmers . . . or don't you know it doesn't provide for producers of deciduous fruits or Specialty crops WE grow!

● You are completely out of touch with farming here, Candidate Johnson, for your "Line" does not apply. Corporation Farms? Where are they . . . Our average prune grower owns only 17 acres!

● Farmers KNOW Jack Anderson fights for prunes, pears, apricots and other crops WE grow. Other California Congressmen know it too, for REPEATEDLY they choose him CHAIRMAN OF THE DELEGATION'S FARM COMMITTEE.

FARMERS FOR JACK ANDERSON
W. A. STINE, SECRETARY

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly [illegible] them. They represent that an extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . .

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The *real* reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good . . ."

PRESIDENTIAL FACT FINDING BOARD REPORT

Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

EASTERN SOUTHEASTERN WESTERN RAILROADS

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449

Dr. Ralph J. Byron Jr., assistant director of the Cancer Institute of the University of California, will be at Bayshore school auditorium Friday evening, April 28, at 8 p.m. He will speak on the recent developments in the field of cancer research, and latest methods of treatment. There is no admittance charge, and there will be refreshments, a raffle and a door prize to make it both informative and neighborly.

The sanitation board moved to buy another $10,000 Savings Bond at their regular meeting last week. This purchase, added to the bonds they have, make a total of $95,000, a nice round figure in any language. Cheer up, fella. There is some money in Bayshore after all.

Mrs. Mae Painchaud, new PTA president, leaves this week for Santa Cruz to attend the Parent-Teacher convention to be held there the first week in May. Those conventions tend to greatly aid our incoming presidents. Parliamentary procedure to many of us mothers is one step away from Ancient Greek.

Cub Meeting

There will be a Cub Pack meeting Saturday, April 29, and all Cub parents are invited. The Cubs are preparing a magic show for the Scout Arama, and are trying to dig up simple magic stunts for their part of the program. Come on, all you life-of-the-party boys, and give some of those big secrets away. No card tricks, please. Isn't becoming in the younger set. Call me, or Mr. Franks, JU. 4-7135. Don't be shy, folks. The tricks must be simple ones, easy to handle, and the fact that you know that old one means nothing. The kids probably haven't seen it yet.

There are 10 new Brownie Flyups for Troop 43 of the Girl Scouts. There was a ceremony this week, and they received their pins and Brownie wings. Mrs. Shere, of 3111 Geneva avenue, now has 25 girls in her troop. She is planning a meeting of Scout parents this week, and will propose the formation of another troop here in Bayshore. Twenty-five girls is a large group to handle, and an assistant or two for Mrs. Shere would not be amiss.

Open House

There was open house at the Bayshore elementary school Thursday evening, and parents were treated to a musical program in the auditorium. The PTA sold coffee and doughnuts, and teachers were at their charming best.

Theresa Ereg, of 389 Oriente street, took the plunge last Sunday, with a lovely wedding ceremony at the Church of Nativity. The reception, too, was something to talk about. Two hundred and seventy-five guests crowded the Bon Vitas Hall to congratulate the newlyweds, and were served dinner and all the trimmings. The groom, incidentally, was Anthony Mathew, at present in the Merchant Marine. Theresa is a graduate of Jefferson High.

Job Finished

The fire department finished a job this week that an accident started last week. Lighting another fire, they burned the charred remains of the old empty house that burned in the small hours some ten days ago. Arlie King called the finale a fire drill. I call it an improvement in the landscape. At any rate, nobody in Bayshore is unhappy about it by any name.

Mrs. Percival, of 223 MacDonald avenue, had a nice visit with her sister and her sister's daughter, down from their ranch in Lodi, California. The family arrived in time to admire and enjoy the television set that Mrs. Percival's boys had bought for their Dad. Mr. Percival is slowly recuperating from an operation, and is invalided for several months to come.

PTA Meeting

Several members of the Bayshore PTA attended the April 20 district meeting, held at Ravenswood, in Palo Alto, and watched installation of district officers for the year. Mrs. G. J. Sirex is new district PTA president, and we are looking forward to a visit from her at our own unit.

Bert Ford suffered another slight stroke last Sunday evening. Take it easy Bert. You only live once.

Some of the neighbors on Rio Verde street are of two minds on the subject of pets. One lady here, the owner of six dogs, contends that she is a dog lover, while the neighbors say that if you have dogs that have pups, and you sell those pups, you are a breeder. The brain twister for this week is, how many dogs must you have before you are out of the dog lover class and in business for yourself?

Cancer Dance

The cancer drive dance, held at Voters League Hall, is reported to have been a success. Our quota in Bayshore was $400, and the committee reports that the dance put us over the top. People came early and stayed late. One neighbor reported that at 2:30 a.m. the strains of "Sweet Adeline" could still be heard if you were downwind.

Mrs. Mabel Garrick of 980 Schwerin left yesterday for Lake county. Says she is leaving for her summer vacation, and will be home in the fall. That is the kind of vacation we've heard about in the same breath with a million dollars. Where do you hide it, Mabel? Under the mattress?

Sunday Service

The service this Sunday at the Baptist church will include a message from Reverend Widenham—"The Giddeons Are Coming." Forty churches in the San Francisco area are using the same service this Sunday. The Sunday evening service is also a special gathering. The San Francisco Baptist Bible College will have members at our church.

Don Rogers Jr. class of boys had a wienie bake in the backyard of the parsonage, with mustard and all the trimmings.

Girl Scout Scoops

(This is a report on the fourth and fifth sessions and the final report by Helen Ann Hickey on a course in leadership of Girl Scouts.)

This is our final report of the very fine course offered on scout leadership in the northern San Mateo area, which has taken place at the Orange avenue recreation center in South San Francisco.

The fourth session was begun with a formation of three patrols and election of patrol leaders. Mrs. Van Arkle, Mrs. Chatterton and Mrs. Kendall were elected. A brief patrol meeting was held to decide what sort of handicraft we would like to do later. Half of our patrol voted for plaster cast work and the balance decided in favor of dish gardens.

Film Shown

Miss Passoneau, our field director, adjourned the group to the projection room where we saw a movie representing a typical Girl Scout meeting beginning with the arrival of the girls, patrol meetings, Court of Honor, etc. A little girl named Betsy, "always in trouble" was quite the star performer. At one point in the film she became quite "stuck up" in biscuit dough, having forgotten to dust her hands with flour. We saw various groups of girls engage in folk dancing, outdoor cooking, dramatics and sewing. All the activities shown were in connection with the troop's plans for a party.

The movie concluded with scenes of the party itself. A supper was served after which ballads, a pantomime, folk dancing and music were the order of the day. The fathers of the scouts joined merrily in the dancing in a very pretty little scene.

Learning by Doing

Following the movie we took ourselves out of doors to the spot where we would hold our "Cookout," in a picnic grove. Each patrol began work on their selected handicraft and spent about a half hour on their projects, resulting in some very fine bits of handiwork. For instance, our dish gardens were quite pretty made on tops of coffee cans with flowers, leaves, acorns, bits of glass and other items set in colored clay. With the aid of a teaspoon into which plaster of Paris was poured and a small safety pin imbedded, a very nice pin was made. A leaf or imprint of any kind may be placed in the spoon before pouring the plaster to make a design.

Miss Passoneau showed us the proper procedure in making up a sleeping bag, advised on purification of drinking water during camping trips, by the addition of Halazone tablets. A book containing pressed flowers and another of smoke prints were shown and instructions given on their making.

Cookout a la Mode

Again working in patrols we got down to the business of preparing our noonday meal, with a task assigned to everyone. Wood gatherers, fire builders, assemblers, cooks, etc. spent a busy hour and finally everyone sat down to a delicious meal consisting of camfire stew, tossed green salad, toasted garlic bread, coffee and banana boats.

(P.S. — Campfire stew is made by browning hamburger with onions and green peppers chopped fine and then adding cans of vegetable soup. Banana boats are prepared by peeling to base one strip of banana, scooping out a section of the fruit itself and inserting bits of chocolate and marshmallows. The strip of banana skin is then pressed back into place and the whole banana set on the hot coals of your fire. Eating of sweets not being among our vices, we gathered by the happy sounds of our companions that this dessert is very yummy. In fact, everyone agreed it was a meal fit for the gods.)

Graduation day is always a bit sad even though a big occasion. And so it was with us. The morning was spent in a round table discussion and evaluation of the course as a whole, with any and all questions being answered by Miss Passoneau. Problems of present leaders and possible problems of future leaders were discussed.

At last the moment for which we had all worked and waited, arrived and we received our Leaders certificates in a little ceremony by Miss Passoneau.

Hasta la Vista

For your writer, our leavetaking was a little sad since we had made so many new friends and regret the fact that we will have little opportunity to meet again with this fine group of women, since they are not in our immediate area. Our whole experience in taking the course has benefited us in many ways and we cannot urge too strongly that those of you who have been considering scout work, join at once and enjoy its many benefits both to yourself and the girls who need you in your community. No special talents are required for this work. The time and effort you put into it will repay you many times.

I should like to end this series with a correction of information contained in the second session report under "Badges on Merit Only." The rank of Golden Eaglet is now extinct, due to the difficulty in attaining the rank and the unfriendly competition resulting. It was removed in favor of the Curved Bar. Excuse please teacher!

NOTICE TO PAY ASSESSMENTS

NOTICE IS HEREBY GIVEN That all owners of real property liable to be assessed to pay the costs and expenses of the improvements described in Resolution of Intention No. 1190 adopted by the City Council of the City of Daly City on January 9, 1950, are hereby notified that on April 4, 1950, the assessment and diagram to pay the cost and expenses of said improvements was recorded in my office.

Said assessments are due and payable immediately at my office, City Hall, Daly City, California, and must be paid within the period expiring June 5, 1950.

In the event of the failure to pay before the expiration of said period, serial bonds to represent the unpaid assessments and bear interest at the rate of not to exceed six per cent (6%) per annum, will be issued pursuant to the Improvement Act of 1945, the last installment of such bonds shall mature nine (9) years from the second day of January next succeeding the next 15th day of October following their date.

Old Fashioned Ham Dinner Sunday

An invitation to the general public to attend an old-fashioned ham dinner is extended by the co-sponsors, The Immaculate Conception Sodality and the Holy Names Society of St. Michael's church.

The event will be held on Sunday, April 30, from 4 p.m. until 7 p.m. in the parish hall, 32 Broad street.

Under the direction of Mrs. Joseph Dunne, food chairman, a most appetizing menu has been planned with the dessert feature being home-baked apple and boysenberry pies.

Miss Yolanda Bernardi, prefect, and John Carroll, president, are the general chairmen of the affair. Father Edmund J. Kenney, pastor, is the honorary chairman.

Juvenile Delinquency --- Its Correction And The Duty Of The Community

(This is the third and final article on juvenile delinquency by Thomas Bocci Jr., Daly City attorney and candidate for the First Township judgeship in South San Francisco, June 6.)

No one really doubts that the underlying cause of juvenile delinquency is parental failure and laxity in the parent's obligations of love, interest and affection owing to the child. Though this be so, nonetheless the problem will always remain with us as long as human nature remains one of varying emotions and personalities. Because of this, we can only hope to minimize the problem at most. This is borne out by those cases where the child turns wayward though reared in a good substantial home where the parent has fulfilled every duty and obligation of parenthood.

Once the child becomes delinquent it is no longer a problem of prevention, but rather one of correction. In correcting the problem, we must bear in mind that the child's emotional instability has lead him into false paths, and it is necessary for us to concentrate on redirecting the child into new channels which will absorb his sense of interest and growing desire for activity. And it is in those cities where immorality exist, and recreational facilities are lacking that the rate of juvenile delinquency is high. Such communities must undertake to first clean house before they can expect any improvement in the conduct of its children.

Our schools and PTA's are our first line of defense in the prevention of the problem. However the problem of correction lies primarily with the community. The outside activities provided by Boy's Clubs, Youth Centers and athletic programs are but a poor substitute for the home, which should be the focal point of all the child's activities. However, though a poor substitute, it is essentially necessary to provide these programs. It is most important for the community to clear itself of the environment of crime and immorality, if such exist. The records reveal that juvenile delinquency is highest where the community passively permits immorality to exist, whether it be in the form of gambling, crime or immorality among its citizens. Good government aims at providing not only an abundance of recreational programs for its children, but also must clean itself of any illegal and unwanted activities contrary to our moral standards. In conclusion may I say that a return to the moral standards of our parents and their parents before them, is the only hope for solution of the problem. I say this realizing that we must either forsake our moral standards to the ways and styles established for us by the theatre, radio and newspapers or return to the golden day of the chaperon, and strict obedience to the parent and teacher, which modern day parents have drifted away from. Either this, or a more calculated program of training our children and the parent in the true values of life and a true appreciation of a moral standard which is honest to our religious training and convictions.

AMERICAN LEGION ACTIVITIES

Broadmoor Post No. 824
CRYSTAL BALL GAZER

Stop Everything and put this date down on your calendar—June 18.

That's the date for "824's" annual picnic to be held at Shangri-La, the same spot we held our "get-together" last year. Just ask anyone who attended and you'll learn that it was a success from start to finish, so Don't miss this one.

Food, food, more food, other refreshments, games, and fun, all included in the one admission charge.

Make this a Must and I'm sure that you won't regret it.

Tickets soon will be available and I'll let you know soon where you may obtain them. At the time you purchase your ticket we will give you directions as to how you may go to Shangri-La the easiest way.

Commander Flanagan is putting a lot of thought and effort into the affair, so let's all get behind him and make it a big success.

Auxiliary Dinner

It does one's heart good to see people lend a helping hand to those who seem to need it. Last Wednesday night Post 824 relinquished their regular meeting time in order to allow the Broadmoor Auxiliary to hold a dinner, meeting, and presentation of colors to the Cub Pack of Broadmoor.

The time of the dinner was set for 6:30 p.m. The "guests" started to show up as early as 6. By 6:30 you coundn't get near the door. The gals began to get jittery—What to do? What to do? Will we have enough food? Will we be able to seat them all? Get more dishes! Then from the throng stepped Sam Marconi (Sam of bowling fame), stripped off his coat and started to serve like a veteran. That's right up Sam's alley, as he is a very competent chef de cuisine. Al Tosci, Ray Logan Jr., and many of the other boys were rushing around helping out. I know that all of the girls appreciated the help and all in all the affair was a success. Needless to say, the efforts of the Auxiliary was well worthwhile. These girls really put their "best foot forward" when it comes to any function like this. Swell bunch of gals!

Just a little cooperation will tend to make any affair a "smash hit." Bear it in mind.

Bowling Team

Well, our bowling league finished its season in a blaze of glory last Saturday night with a banquet at the 3 Owls at Redwood City. All the fellows and their "Best Gals" were present to enjoy a marvelous meal.

A team trophy and individual trophies were presented to San Mateo Team No. 1 which came out on top. Presentations were made by Ray Flanagan, league secretary, who also made all of the arrangements for the dinner.

Folk Dancing

Ray Logan Jr. is putting in a lot of time and effort in the folk dancing classes which are to be held at the Community Center every Monday night, starting at 7:30 promptly. This early hour is to allow Mother and Dad to bring the youngsters and still get them home at a reasonable hour.

Those of you who have attended our previous classes know how much fun we have had. Come on out Monday and see for yourself. Admission FREE. Refreshments will be served.

Doris and Cecil Snover had a bad crack-up with their car last Saturday night. Fortunately neither of them was badly hurt.

Hey, you vets, how's about coming down to the Community Center any 1st or 3rd Wednesday night, look in on one of our meetings, and give a little thought as to joining 824. You'll find that they are an up-and-coming gang and are trying to do as much as possible towards the welfare of the community. After all, if you live in the area you should get acquainted, so come on down.

Come July, we intend to hold another Coaster Derby here in Broadmoor. This year we hope to have a large increase of entries over last year. The committee is working hard on plans now and within the next week or so expect to have the entry blanks and specifications ready. Watch the Record for additional information.

It was a pleasant surprise to see the John Crosby family out at the Auxiliary dinner Saturday night. Understand they plan to return to Broadmoor. Welcome back!

VFW To Install Officers Friday

Holding a joint installation of officers this Friday evening will be Old Glory Post No. 2044, VFW, and the Auxiliary.

The installation is to be held at 8 p.m. in Masonic Hall, 17 Hillcrest drive. At that time officials for both the unit and auxiliary will take office for 1950-51.

This will be an open meeting, and the public is invited to attend.

Bargain in household help...3¢

Everything gas and electricity do to make your living easier, pleasanter, better, costs less in California . . . heavy farm chores are cheaper, when electricity takes over!

They're a better buy than many folks think! Your food takes about 34¢ of your household dollar. Clothes, rent, other items take 63¢. But gas and electricity take only 3¢.

For the record

Right now the U. S. Census Bureau is making its regular 10-year count—reliable sources predict a 57% growth in Northern and Central California.

Since V-J Day we've expanded P. G. and E.'s capacity by 1,156,000 horsepower—more than ample to keep pace with this growth.

P. G. and E. service does so much...costs so little

VET'S INN LEAGUE CHAMPIONS

Jefferson Night Basketball Winner; Hoyt Heaters Come In Second

By Milton Tromborg

It's all over as far as Veteran's Inn is concerned. They have gone through the Jefferson High Night Basketball League without meeting one defeat, winning seven straight games.

Hoyt Water Heaters came out in second place with a record of six wins and one defeat at the hands of Veteran's Inn, 44-43, in an early season game.

There is still one game to be played between the V. V. Merchants and Tiny's Inn.

Before going into the results of last week's game, let's take a rundown of the games played in the past.

The Seahawks started the thrills by winning over Gigli Plumbers 30-28 in the opening game. In the second game, Veteran's Inn started their rampage by dumping Neville Motors 34-19 while Hoyt Heaters dumped the Loafers 41-33.

In another thriller, Tiny's Inn and the Seahawks battled out for 40 minutes, with the Seahawks, coming out the winner by a slim margin of 43-42.

In an overtime period, Neville Motors slipped by the Loafers by the close score of 49-47.

In what could be called the game of the league, Hoyt Heaters bowed down to the champs, Veteran's Inn 44-43.

In the run away game of the league, the Seahawks took that title by romping over the V. V. Merchants 65-29.

The only up-set in the league was the Loafers 46-34 win over the Seahawks. Most of the games in the league have been close, as you no doubt can see.

Here are the results of last week's game, the final round of play.

Hoyts Dump Seahawks

Losing but one game, the Hoyt Heaters kept their record clean otherwise by dumping the Seahawks 60-38 in the April 18 game.

Loafers Win One

The Loafers edged Gigli Plumbers 59-48 to end their season with two wins and five defeats. The Loafers' main point scorer was Scitnieder, who hit for 22, while Christenson hit for 17 for the losers.

Vet's Inn Wins Thriller

As I said before, if Veteran's Inn did not have the backboard control they do have, they would not be able to go through the league undefeated. This proved the main source of power, with Nassano, Ramsey, Rerecich, and Welsh controling both backboards, in most of their games throughout the season.

Vet's Inn just edged Tiny's Inn, 40-39, in what could be said the most thrilling game ever seen in the league.

FINAL LEAGUE STANDINGS

Team	Won	Lost
Veteran's Inn	7	0
Hoyt Heaters	6	1
Seahawks	4	3
Tiny's Inn	3	3
Neville Motors	3	4
Loafers	2	5
V. V. Merchants	1	5
Gigli Plumbers	1	6

Jeff Elementary Victorious In League Opener

In the opening Recreation Department league game last Friday, Jefferson elementary school's softball team defeated Crocker's "AM" 6 to 2.

Ziegle and Bertelli pitched for Crocker, while Pessan and Geerity tossed for the winners. Crollendo hit a triple in the fourth, with two men on. However, Dickson failed to touch second, and was called out. Only Costello scored. Watson scored Crocker's second run in the seventh.

Ronald Geerity started Jeff off on the hitting with a fourth-inning homer. Guisti and Anquillo scored in the fifth, while Anthony and Lewis crossed home after a walk by Bertelli. Geerity made the final scoring run.

Basketball Trophy Presented To OLPH

Having taken top honors in the Daly City Recreation Department's "A" Junior Basketball league, Our Lady of Perpetual Help squad was awarded the league trophy April 18.

The award was made by Erle Johnson, supervisor of recreation, to Father William Stewart, who accepted it on behalf of the school and team.

A short congratulatory speech by Johnson followed the presentation of the perpetual basketball trophy, and preceded the awarding of individual gold basketball medals to each player by their coach, Glen Smith.

The following boys were awarded medals: Robison, Rosa, Madden, Murphy, Dreyfus, Brandt, Laramie and Beecher.

D. C. Sportswomen Postpone Trip

At a meeting of the Daly City Sportswomen, held April 19 at the home of Frances Nenstiel, 228 Hillcrest drive, it was decided to postpone the crab fishing trip to May, as the crabs will be larger then. The trip was orginally planned for April.

The Daly City Sportswomen also voted to become a member of The Associated Sportswomen of California. Being a member of The Associated Sportsmen makes a club automatically eligible to belong to the Associated Sportswomen. All the club has to do then is to decide whether or not it wishes to be a member. The Club pays one dollar a year to The Associated Sportswomen for registration.

General meetings of all member clubs are held four times a year by The Associated Sportswomen, with one of the clubs acting as hostess. The club acting as hostess to the other clubs secures a hall or suitable accommodations and furnishes refreshments after the meeting. The last meeting of The Associated Sportswomen was sponsored by the San Francisco Sportswomen and held at the home of Anna Van Dyne, out in the avenues.

These three members of the Daly City Sportswomen attended the meeting: Betty White, president; Laurien Fox, secretary-treasurer; Mildred Mae Whinnen, publicity writer. It was at this meeting that the question of joining The Associated Sportswomen first was presented.

Sarto's Drop Charity Game To Ayoobs

Despite a valiant fight, the Sarto's nine lost to Ayoobs 4 to 0 in the Sunday benefit game at Seals Stadium.

Pitching for the Sarto's was Bill Rainey, who went the whole nine innings, allowing but four hits. This was a remarkable feat in that Rainey had worn himself out pitching the previous Friday for his high school team.

The Ayoobs had almost equal pitching strength, and they held the Sarto's down to five hits. However, they used two pitchers on the mound.

The trouble was that all of the five hits came at the wrong time, and none of the Sarto's were able to score a run. Charles Causen accounted for two of the hits, while Fostino Quitevis drove a double down the field.

This is the last game for Sarto's until they resume play in the San Francisco Summer League.

The Fresno River, once in the county of that name, now is in Madera county.

Montan wax, produced from coal, is used in pigments, and as a waterproofing material.

Jeff Dumps Sequoia By Same Score Racked Up Over Past Two Years

By Milton Tromborg

The Jefferson high baseball nine got revenge last Friday afternoon, April 21, by plastering Sequoia's star pitcher, Tom Del Sarto, off the mound in the first inning, to go ahead and win by the final score of 6-2.

This makes it the third time in a row that the Indians have beaten Sequoia by the same score—6-2.

Now that the Indians defeated Sequoia, they take over undisputed second place in the PAL race. Palo Alto whipped San Mateo 5-4 in another PAL contest Friday to lead the league with four straight wins, while Jefferson stands with a three and one record.

In what was expected to be a pitchers duel between Jeff's Ed Cereghino and Sequoia's Tom Del Sarto turned out to be a duel between Jefferson batmen and Del Sarto.

Ace chucker Ed Cereghino of the Indians went the distance to take his third PAL victory, with one defeat.

Cereghino pitched wonderful ball, and was in trouble but once.

Indians Explode

With Sequoia holding a one-point lead, Jefferson came back in their first inning to score three runs off one walk and three hits.

Don Lunghi passed on a walk, then veteran third baseman Harold Mosman laced a triple to right field, scoring Lunghi.

Henry Morgan got the second straight hit off Del Sarto, lining another ball to right field, this time scoring Mosman. Next, catcher Alex Findlay hit a ball to center field, and got on base with a single, only he was tagged out at second trying to take an extra base, but in the meantime Morgan came all the way in to score the third Jeff run. Jeff 3, Sequoia 1.

Cereghino did not let one Sequoia man reach first base until the sixth. Ed gave up two hits and one run.

This Friday the Jefferson Indians will travel to San Jose for their fifth game. Then, next Friday the Indians will travel to San Mateo, and the following Friday they will go to South City. The only home games left will be the play-off games, that is, if the Indians make it, and they should.

Trout Fishing Opens Saturday

Trout fishing, California's most popular outdoor participation sport, will lure an estimated half-a-million anglers to lakes and streams in 50 counties which open Saturday, April 29, for a six-month season.

One hour before sunrise on the same date also marks the opening of a 10-month warmwater fishing season in northern and central California counties.

According to the Division of Fish and Game, licensed anglers may go after trout, salmon, and Rocky Mountain whitefish from April 29 to October 31 in most of the State except ocean tributary streams in Humboldt county, and waters in Del Norte, Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas, and Lassen counties, where the season opens May 27.

The April opening will also apply to Tahoe, Donner, Boca Pillsbury, Almanor, Butt and Bucks lakes; Big, Stone Clam Beach, and Freshwater lagoons on the coast of Humboldt county; and the Pit River and its tributaries in Lassen county.

After a two-month closure, waters in all counties north of San Luis Obispo, Kings, Fresno, Madera, and Mono counties will be opened for the taking of black bass, sunfish, crappie, and Sacramento perch. There is no closed season elsewhere for warmwater fish angling.

Sensational performers in the all-new "Ice Follies of 1950," opening Wednesday night, June 7, at San Francisco's Winterland, are the petite blonde twins, Joanne and Joyce Scotvold. They star in the gigantic production number, "Dairyville, U.S.A." Critics say the 1950 show is "the best ever."

Here's record-breaking proof of Chevrolet Truck Value . . .

Chevrolet dealers are selling more than

1350 CHEVROLET TRUCKS A DAY!*

Performance Leaders

The most powerful trucks and finest performers Chevrolet ever built. The great new Load-Master 105-h.p. Valve-in-Head engine provides higher pulling power and faster acceleration for heavy-duty hauling. Improved, more powerful Thrift-Master engine, too!

Price Leaders

From start to finish, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value, all add up to the lowest price for you.

No other truck ever came close to this record . . . Proof again that Chevrolet trucks are Popularity Leaders because they're Value Leaders!

America's truck buyers are *careful* buyers. They compare features; compare performance, compare value. They buy on *facts*, not claims. And that's why they are buying new Chevrolet trucks at this record-breaking rate—buying more Chevrolet trucks by far than any other make. What greater proof could there be that Chevrolet is the truck for *you*, too! Come in and look over the Advance-Design models. Big, rugged, heavy-duty trucks with more power than ever. Trucks for every trade and every need. Come in today!

*We and other Chevrolet dealers throughout the nation have just completed the greatest truck-selling month in our history—delivering new Chevrolet trucks at the record-breaking rate of more than 1350 a day.

Popularity Leaders

Final and official 1949 registrations show that in every State in the Union more people bought Chevrolet trucks than any other make. In total, Chevrolet trucks were preferred over the next *two* makes combined—convincing proof of greater value.

Payload Leaders

You can haul more goods more miles—at lower costs per ton mile—in Chevrolet trucks. Advance-Design and rugged construction bring you important savings in operating and repair costs. Greater hill-climbing power and faster getaway reduce total trip time.

RE-ELECT A GOOD GOVERNOR EARL WARREN

Why I am Voting for Earl Warren

HOUSEWIFE — "He's honest, sincere and intelligently alert to the needs of all the people." —Elizabeth B. Stevens, Oakland.

OLPH Mothers Club Fashion Show Tremendous Hit

The fashion show of the Mothers' Club of OLPH school, held last Saturday, proved a tremendous success with approximately 400 ladies attending.

The auditorium was beautifully decorated with tall lilac, on either side of the stage, while the stairway leading to the runway was flanked with massive jars of hydrangea of a hue matching the lilac. The stage was decorated by TWA, and depicted scenic places of various parts of a trip to Rome, which was the theme of this year's show, "A Pilgrimage to Rome."

What Milady would wear on such a trip was tastefully displayed with beautiful clothes selected from Hale's Grant Avenue store, which also furnished five models. The other four models were members of our own club, namely, Mrs. Stanley, Mrs. Bonnie Whelan, Agnes Finnegan and Dorothy Traynor.

The luncheon consisted of baked ham, potato salad, French rolls, ice cream, cookies and coffee. At each place setting was a gardenia corsage and a souvenir of some phase of cosmetic so dear to all ladies hearts.

The fashion show which everyone agreed was a tremendous social success was also a great financial success. The president of the club, Mrs. Theresa Sullivan, and the members of the club extend thanks and appreciation to all who participated in making this an outstanding affair of the season.

Great regard goes to Mrs. Janet Gray, in charge of the models and clothes; Mrs. Alma Garibaldi, for the beautiful flowers; Mrs. Liberti, for the tickets and reservations; Mrs. Jean Denning and Mary Calegari, for tables; Mrs. Ruth Cresta, in charge of the hostesses; Valetta Ennis and Susan Schroeder, who handed out 85 door prizes; Mrs. Lamendola and Mrs. Barone, who assisted Mrs. Sullivan with the investment, and Ann Drury for the great job of serving the luncheon for so many people.

Proceeds of this affair, as all affairs of the Mothers Club, will go to the building fund and other educational purposes of the school.

Meanwhile, the kindergarten mothers, with Mrs. Virginia Stanley as chairman, assisted by Mrs. Traynor and Grace Rose, will take charge of the next afternoon whist, which will be held on May 2, commencing at 1:30 o'clock. Many beautiful prizes are being sought for and the public is cordially invited to attend.

The next regular meeting of the Mothers Club will be held on Friday, May 12, in the school auditorium. New officers will be elected for the ensuing year, and all members should attend this meeting.

Marines Accepting Enlistments Now

Dispelling a current erroneous belief on the part of the general public, Capt. W. W. Brown, officer in charge of the San Francisco Marine Corps recruiting office, today announced that the Marine Corps is accepting applicants for immediate enlistment.

Capt. Brown further stated that, as far as is now known, this policy will remain in effect for an indefinite period.

To qualify for enlistment in the Marines, a young man must be between the ages of 17 and 28, of good moral character, and must meet the required mental and physical standards.

The current enlistment period is four years and accepted applicants are sent from San Francisco to the Marine Corps recruit depot at San Diego, where they are given a 10-week course of recruit training. On completion of this training, they receive 10 days leave prior to assignment to their first duty station. Wide opportunities for furthering their education are offered all Marines through a number of service schools, as well as through the famed Marine Corps Institute, which for the past 28 years has offered free correspondence courses in nearly 200 fields of knowledge.

Interested young men may secure full details about the Marines by writing the Marine Corps recruiting station, Room 32, Federal Office building, San Francisco.

The romantic combination of honey-haired Betty Schalow and handsome Hugh Hendrickson is one of the featured teams in the all-new "Ice Follies of 1950," opening Wednesday night, June 7, at San Francisco's Winterland. Critics say the 1950 show is the "best ever."

40,000 Trout For Napa Conn Lake During 1950

The Division of Fish and Game has planted a total of 40,000 catchable-sized trout in the City of Napa's Conn Lake during 1950, it is reported by M. O. Talbott, assistant supervisor of fish hatcheries.

An additional plant of 20,00 trout was made last fall. The fish were raised at the Division's East Side Reservoir hatchery.

BUTTE COUNTY STREAMS IN GOOD CONDITION

All streams in the northern part of Butte county are in good condition for the opening of trout season on April 29, reports the National Automobile Club. They are clear and not too high and should remain so unless there is some unexpected change in the weather.

Gen. Pershing PTA Holds Cookie Sale To Buy Caliphone

By Mrs. E. K. Whinnen

The current baking and selling of cookies at General Pershing school, which started Monday, April 17, and continued through Wednesday, the 26th, when "open house" was held at the school, had as its object the purchase of a Caliphone for the school.

It is hoped to raise a substantial part of the purchase price in this manner, and whatever is lacking, if any, will be given by General Pershing PTA.

The cookie sale last year was a notable success, and the same setup is being followed this year. Miss Winifred McGrath, principal, and some of the teachers, assisted by PTA women and some of the older school girls, are baking the cookies a the school and selling them for 20 cents a dozen to children and parents who wish to buy.

Plans are going forward for General Pershing PTA's hot dog sale on our belated May Day, May 7. The executive board is making plans, based on past experience, for a bigger and better and more efficient hot dog sale than ever. Maydayers, you won't have any trouble finding the booth; there will be a steady stream of hungry people trekking toward it on the day of the festival.

General Pershing PTA was well represented at the CCPT, 17th district meeting and installation luncheon, held at East Palo Alto April 19. Five delegates from Pershing PTA made the trip. They were: Mrs. George Freeland, outgoing president; Mrs. Arthur Lauffenburger, incoming president; Mrs. Ed Nenstiel, Mrs. D. C. Gensel, Mrs. Lyle Ingersoll, and Mrs. E. K. Whinnen.

At sectional meetings held previously by 17th district, CCPT, PTA's had been asked to make recommendations or advance for discussion any ideas or subject that seemed in need of investigation or action by the district. General Pershing PTA recommended that the district make an investigation into the continually rising cost of the senior year in high school and graduation. It was pointed out that these costs are already very high and continue to get higher.

The first meeting to be conducted by the new officers will be held at the school May 2 at 1:30 p.m.

McGeein Gives Qualifications For Trustee Job

Mrs. Mildred McGeein has announced her candidacy for trustee of the Jefferson Union High School District.

Mrs. McGeein has evidenced interest in school and community affairs since she moved to Daly City. She has participated in several Red Cross drives and helped put Daly City over the hump on each occasion. Her work with children of adolescent age is well known to the Recreation department in Daly City.

Mrs. McGeein became interested in the welfare of Jefferson high school through her active participation in the Jefferson high school PTA. She was rewarded for her efforts when her fellow workers honored her with the presidency of that organization in 1948-1949.

Her interest and active participation as chairman of the student welfare committee in Jefferson high school has enabled worthy students successfully to complete their high school education.

Mrs. McGeein hopes to continue her work with adolescent youth as a member of the board of trustees. Her greatest desire is to make it possible for every young person to have a well-rounded, functional education so that he may face the obstacles of our modern social order as a well equipped, well educated citizen.

NEWS FROM THE SCHOOLS

CROCKER

Last week Ted Surber of the fifth grade transferred to Millbrae.

After an unexpectedly long Easter vacation, the fifth grade is ready to work. We have several projects underway for Public Schools Week. These are a part of our regular classroom work, but we hope to have each project finished in time to display them to our parens. One of our most enjoyable activities is the making of a movie from he children's opera, "Peter and the Wolf."

Sixth Grade

The students of the sixth grade are writing papers on the unusual plants and animals that are found in the continent of Australia. We wish the best of luck to Bert White, who has transferred to San Francisco.

Seventh Grade

The students of the seventh grade are taking "inventory" of things they need to cover before the end of the term and diagnosing some of their work habits.

The seventh grade of room 6 is now studying angles in preparation for their next unit in arithmetic, which will be in area. In science they are finding the secrets of the elements, what causes oxidation, and the results of oxidation. Because of their recent fire at Crocker school, their fishing trip has been postponed indefinitely.

Eighth Grade

The high eighth of room 6 is starting on successive discounts in arithmetic. The work on areas has been covered and soon the work on solids will be taken up. In our government work, the class will learn that the estimated census will be 150,000,000 for the United States and that California will probably have 31 seats in the House, New York may lose three, Pennsylvania two, Missouri two, seven southern states and Illinois, one each. Florida, Michigan, Indiana, and Texas will each gain one.

Every Thursday during physical education period the girls in the afternoon classes have been learning those good old folk dances and enjoying themselves. Many dances have been learned and new dances always being introduced.

Appreciation

Crocker student body and faculty this week have been expressing thanks and appreciation to the efficient Daly City Fire Department. It was through their prompt response to a fire alarm that students' and teachers' personal effects, school records, and school equipment received little or no damage. The student body and faculty, therefore, take this opportunity to thank this well-organized body of fine men, whose community spirit can be an example to young America!

Stock Exchange

Culminating an area of experience in arithmetic, the H8 grade visited the S. F. Stock Exchange. Being shown to the visitors gallery, and divided into two groups, the students were then shown the means by which "stock quotations" were flashed upon a 90-foot wall board. Coupled with this the group also saw the means by which quotations from both the New York Stock Exchange and the New York Curb Exchange are received on the S. F. floor.

This excursion was planned after students had been schooled in the various jargon of "Stocks and Bonds," as a unit of business arithmetic, which is a portion of the curriculum in arithmetic for the H8. This group will now study bank and banking, and time permitting will visit a branch of one of the banks in S. F., where they may receive more "first hand" information and understanding of the way the various departments of a bank function.

JEFFERSON

The pupils of the first grade, room 5, enjoyed an interesting competitive game this week during their physical education period. The class was so divided that the girls opposed the boys. The object of the game was to see which team could successfully get the ball into the basket. Carol Lyn Huber kept score while Donna Dennis assisted by Chris Walton directed the game. The boys were the victors.

Second Grade

The boys and girls in the second grade are planning a garden of plants in the school room. This gives them an opportunity to watch the growing progress and help care for them, which includes the appreciation of the wonder and beauty of flowers and plants. Harold Gordon, Rosemarie Welp, and Georgeina Viola have brought plants. Rosemarie Welp is the monitor to see that the plants are cared for. We are planning to have carrot, sweet potato, and beet plants growing in jars of water. We hope this will arouse the children's interest in common everyday nature objects.

Fourth Grade

The students of the fourth grade are "traveling" about our neighboring country to the south, Mexico. They expect to visit the many places so attractive to sightseers. In their journey they will learn much of Mexico's history. The children are interested in their journey and are helping by bringing articles to display in the classroom.

Santa Fe, New Mexico, is the oldest seat of government in the nation.

Thursday, 8 p.m. — Frank C. Jordan Colma Post No. 762, Colma Community Center, Dunks Broadmoor Community Center.

School Receives New Caliphone

The Colma PTA and the Jefferson elementary school board presented the new Garden Village school with a transcribing-phonograph at a ceremony Friday morning, April 21.

School children were assembled in the school yard for the ceremony. Mrs. Edward Dennis, president of the Colma PTA, presented the Caliphone to Jean Votaw, president of the student body, and to Miss A. Suber, principal of the school. Boy Scout Dick Stookey held the flag, and Miss Vint led the group in singing "The Star-Spangled Banner" and "America the Beautiful."

Hugh Falconer represented the school board, and Mesdames Edward Dennis, Jerdan Hopper, William Chessman, Herbert Kern, William Back, and Dale Stookey represented the Colma PTA.

Reservations must be in by May 3 for the installation dinner to be held May 10, 6:30 p.m. at the Colonial dining room. Please call Mrs. Allan F. Mori, PL 5-1235.

Yuba county once extended from the Feather River to the Nevada State line.

Mile Rock Lighthouse, about half-a-mile off San Francisco, is visible for fourteen miles at sea.

TROUT FISHING SHOULD BE GOOD

Trout fishing should be very good along the streams of Monterey county when the season opens there April 29, predicts the National Automobile Club. Most streams have plenty of water and a good supply of small trout.

LT. GOVERNOR

Goodwin Knight

Senator Parkman Endorses Knight For Lt. Governor

San Mateo county's State Senator Harry L. Parkman today strongly endorsed Lieutenant Governor Goodwin Knight's candidacy for re-election and urged the people of his district to return Knight to office.

In a joint statement issued by hold-over members of the State Senate (those who do not have to run for election this year), Parkman and his colleagues called Knight "a kindly, energetic and patriotic citizen, worthy of the wholehearted support of every voter, regardless of party considerations."

The statement, signed by 13 members of the Senate, including President pro tempore Harold J. Powers of Eagleville, asserts:

"We have found Lieutenant Governor Goodwin Knight to be an able, conscientious public servant with a keen desire to help every effort to solve the immense problems created by the rapid growth of our state. We are glad to endorse his candidacy for re-election and we sincerely hope the voters will return his to office.

"Goodwin Knight is a staunch supported of free opportunity and has warm sympathy for every Californian who needs the cooperation of the state to better his situation. He has long warned of the dangers of Communism and never misses an opportunity to defend the American way of life as opposed to the totalitarianism which imitators of European socialism would like to force upon us. He has a real appreciation of the self-sacrificing service of thousands of Californians who have long labored to build a greater and more prosperous state."

VA Offers One Stop Service

"One-stop service" for veterans in San Mateo county is provided by the Veterans ' Service Office, Courthouse, Redwood City.

The individual veteran or veteran's dependent, according to F. D. Granger, veterans service officer, cannot be expected to know how or where to apply for all the various types of benefits to which he is entitled by law, or even where to write for information.

"Most federal benefits are administered by the Veterans Administration, and the principal types of California benefits by the Department of Veterans Affairs," Granger explained. "But there are a couple of dozen other State and Federal agencies that have a hand in some of these benefits, and even the two principal veteran agencies have a number of different divisions administering various programs."

For example, a veteran may want information about State civil service preference, on-the-job training, medical treatment, homestead opportunities, and National Service Life Insurance. Instead of going to five different places, Granger pointed out, he can obtain all necessary information, and even the application forms, in the course of "one stop" at the Veterans Service Office, Courthouse, Redwood City.

A major part of Granger's job is to know where to go for the quickest and most effective action in a veteran's behalf. Veterans who have not yet made use of his assistance are invited to do so.

TROUT PROSPECTS AT LAKE TAHOE

Trout fishing at Lake Tahoe should be about normal when the season opens there April 29, predicts the National Automobile Club.

LARGE STRIPERS IN TOMALES BAY

Anglers took several large stripers last week from Tomales Bay in Marin county, reports the National Automobile Club. Fishing in the bay may improve considerably during the next few weeks.

Enlistments Open In Ski Troops

Enlistments currently are open in the Army's famed mountain outfit, the 14th Regimental Combat team, stationed at Camp Carson, Colorado, according to Sgt./1c Robert Frye, local recruiting officer of Daly City.

Men with or without prior military service, between 18 and 34 years of age, and able to meet high Army mental and physical standards, can enlist for initial assignments to the 14th RCT, Sgt. Frye said.

The team, stationed near Colorado Springs and within seven miles of scenic Pikes Peak, specializes in mountain climbing, ski training, swimming and other outdoor activities. Members of the unit have ample opportunities for hunting an dfishing in the Rockies during off-duty hours.

The 14th RCT boasts a number of mountain climbing instructors who acquired their knowledge from practical work and past experience with the U. S. Army and Allied armies in Europe.

Additional information may be obtained from Sgt. Frye, who will be in Daly City's post office on Monday of each week, or be visiting the Army and Air Force recruiting station, Post Office building, San Mateo.

Genuine Spring Lamb Now In Season

WHOLESALE -- RETAIL

Meat sold in sides, quarters or large pieces will be cut, wrapped and labled ready for Locker or Freezer

NOTICE: All departments in Milo's Market will close at 6 p. m. Sat., April 29.

A completely new, streamlined store will open on or about May 15 under the name of the HILL TOP MARKET. During the ensuing two weeks the building is to be enlarged and renovated to bring Daly City residents a shopping center of which they can be thoroughly proud. The Grocery Department will be under the management of George Glass. Mike Bertolucci will continue to operate the meat department which will re-open as soon as possible before the Grand Opening.

Red Cross Offers Baby Care Course

The Home Nursing Service of the San Mateo county chapter, American Red Cross, announces the third of its 1950 series of classes in "Mother and Baby Care."

The class will start Wednesday, May 3, in the Helen Percy Cheseborough Chapter House, 1449 Bellevue avenue, Burlingame.

Registration may be made by calling DIamond 3-4561.

Miss Glendora Goodhue, a registered nurse, will instruct classes each Wednesday and Friday morning from 10 to 12 o'clock. The entire course takes twelve hours including both lectures and demonstration with actual equipment. Classes will continue through May 19.

Paper Boy Bitten By Unfriendly Dog

Edwin Duncan, 187 Moltke street, is the latest victim of a "hungry" dog, police report today.

Young Duncan was delivering papers in Garden Village last Wednesday when an unfriendly pooch took a bite out of his leg.

Duncan didn't deliver the paper to the dog's home, as he was taken to Junipero Serra hospital for treatment, police said.

Lake Itasca, in Minnesota, is the source of the Mississippi River.
